

# 5 SESSIONS PITCHING CLINIC

Softball Saskatchewan is implementing Softball Canada’s new National Pitching Program, the CANpitch program! It was created to provide a nationally standardized curriculum based on Softball Canada’s Long-Term Player Development (LTPD) framework to introduce and develop the skill of windmill pitching to players. This program is designed for the FUNdamentals stage, the Learning To Train stage, and the Training To Train stage. **Please note: we are offering this clinic to 8-16 year olds.**

The program will run in **Carnduff** on the following Saturdays: February 18<sup>th</sup>, 25<sup>th</sup>, March 3<sup>rd</sup>, 10<sup>th</sup>, 17<sup>th</sup>, 2012, from 10:00am – 3:00pm. Please note there are **5 different 1 hour sessions, therefore the player will be assigned a 1 hour session during that time slot.** You will have the same time each week. Groups will be between 5-7 players per instructor.

**Instructors:** **Andrea Wolf** – played ball in the Wapella area before going to Jamestown on a softball scholarship. She played at several Junior and Senior A level Provincials and received a bronze at a Senior Canadian Championship. Andrea also went overseas to play in Japan. After her playing career she became a skills instructor for the 981 league and then started coaching. She has coached both boys and girls and is currently finishing her Level 3 certification. We are happy to have Andrea joined Softball Saskatchewan this year as a Regional Pitching Instructor!

Please remember to bring: a person to catch for you that isn’t in the clinic, clean indoor shoes, ball glove; filled water bottle (no soft drinks please). An indoor ball will be provided for you to use.

**A confirmation letter will be sent out after the registration deadline with group time and location. For faster response please include your email address on the registration form.**
